Re: Wone v. Ward *et. al.*
2008 CA 008315 B

Dear Mr. Razi:

We write concerning our client Dylan Ward. It has come to our attention that a person named Joe Demma was misrepresenting himself as Mr. Ward's attorney. We have received reports from three persons in Florida that they have been contacted by Mr. Demma concerning Mr. Ward, and they state that Mr. Demma has introduced himself as Mr. Ward's attorney. One of the individuals reported to us that, when pressed, Mr. Demma said that he was working "on behalf of the widow." We take this to mean that Mr. Demma was working on behalf of your client, Katherine Wone.

Please confirm whether Mr. Demma works for you, and if so, we insist that he cease any and all representations that he is Mr. Ward's attorney or works for Mr. Ward in any way.

Very truly yours,

David Schertler / VRJ
